

BLOCK DRIVE PATTERNS – FEBRUARY 2020

'Propeller' February 2020 Q4CL block

Fabrics

Either orange **or** yellow. Two fabrics of your chosen colour for each block – can be plain or patterned but there must be enough contrast between the two for them not to merge together. Please **no** florals – think unisex

Fabric A (**lighter**)

Fabric B (**darker**)

Two 5¼" squares

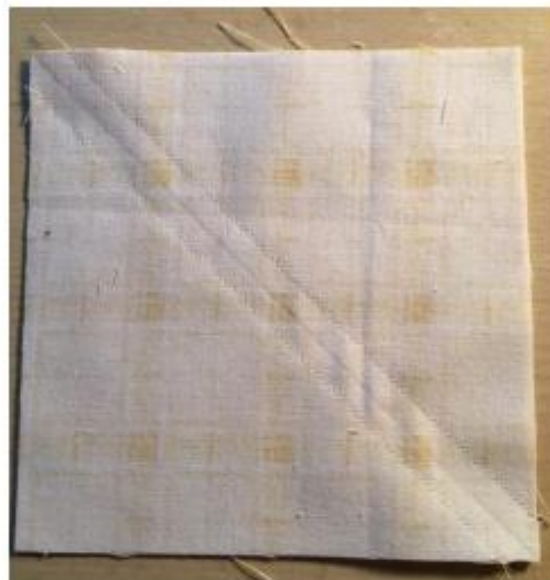

Two 5¼" squares

Five 2½" squares

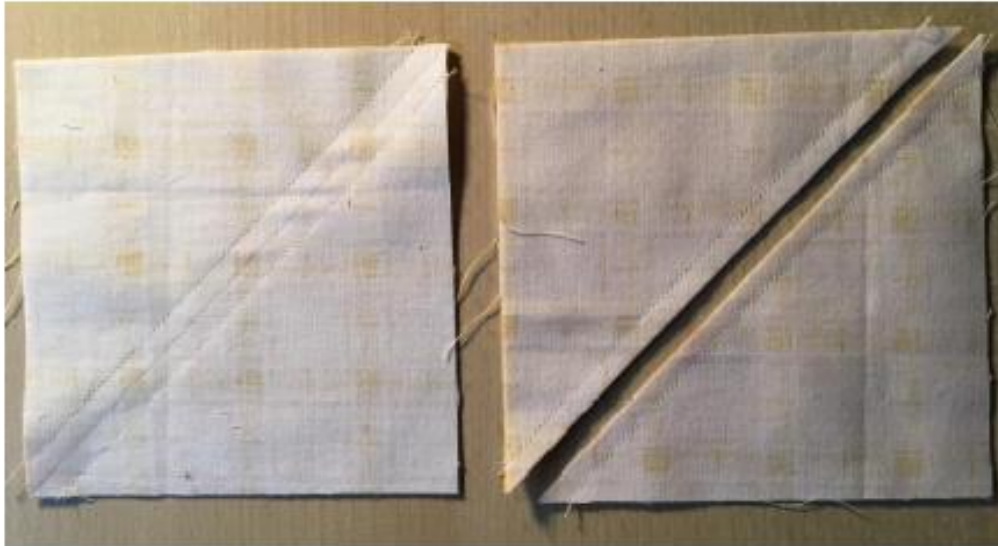

Four 2½" squares

Make 4 HST (half square triangle) units:

1. Take one A 5¼" square and one B 5¼" square and put right sides together. Mark along one diagonal and sew ¼" away from the mark on either side.

2. Cut along the marked line and open out.

3. Press to the dark side.

4. Trim to 4½”.

5. Repeat with the other A 5¼” and B 5¼” squares

Top and bottom rows:

6. Join one A 2½” square to one B 2½” square
7. Press to the dark side

8. Join one of your A/B HST units to your A/B strip. **NB: check the orientation of the HST unit – use the photograph at the beginning for reference**
9. Join another of your A/B HST units to the other side of the A/B strip (**again, checking the orientation of the HST unit**)

10. Press towards the A/B strip (i.e. away from the HST units)

Middle row:

11. Join 3 of the A 2½" squares and 2 of the B 2½" squares in the order A, B, A, B, A
12. Press towards fabric B

13. Join the three rows together. **NB: check the orientation of the HST blocks – use the photograph at the beginning for reference**
14. Press towards the middle row

15. Check the size of the block – should be 10½"
